

Bath Salt Recipe

What you need:

MK Scented Body Wash

Epsom Salt

Liquid Glycerine

Jewelry size ziplock bags.

What to do:

In a large bowl, Mix 1 pound of Epsom salt with 2 Tablespoons Body Wash and 2 Tablespoons Glycerine. Spoon approximately 2 Tablespoons into each Jewelry bag. Each bag is enough for 1 bath. This recipe will make approximately 50 bags of Bath Salts.

***NOTE: you may also use MK Perfumes by Replacing the scented body wash with 1 Tablespoon Perfume and 2 Tablespoons Satin Hands and Body Cleansing Gel.

This is a fast, easy way to get new names.....

Just attach your business card (or put a label with your name and number)
And hand them out to everyone you meet. Ask them to try it tonight and get their number so that you can call them tomorrow to get their opinion.

Then follow up!!!!
